EXPLORER POST 261

To Future Explorers:

The City of Redlands Fire Department would like to welcome you. We hope that you will be successful in becoming a member of our program.

As an Explorer, you will be required to make many commitments. There are many hours of training required to maintain your active status within the program. You will need to consistently maintain at least a 2.5 grade point average at school and must be in good standing within the community. There are also some financial requirements that you will need to consider.

Enclosed you will find an Explorer Application, a City of Redlands Waiver, and a list of expenditures that you will incur once you have become an Explorer. We ask that you and your parents read over these papers together and complete the necessary documentation.

Although it may seem there are many requirements placed upon you, we believe that you will find our program very enjoyable and rewarding. We hope to see you in the future and wish you the best of luck in becoming a City of Redlands Fire Explorer.

Sincerely,

Firefighter Jerome Mathiasen
Explorer Advisor

CITY OF REDLANDS RELEASE AND WAIVER OF LIABILITY

SIGN, INITIAL & COMPLETE ALL STATEMENTS BELOW:

For and in consideration of the City of Redlands' ("City") permission to participate in projects coordinated by the City whereby volunteers and members of participating service clubs from the community perform projects varying in scope for the City, the undersigned does hereby agree to release, indemnify and hold harmless the City, and its elected officials, officers, employees and volunteers, from any and all claims, liabilities, demands, damages, actions or causes of action of any kind or character (including, without limitation, attorneys' fees, costs and expenses) whether caused by the active or passive negligence of the City, or otherwise, that may arise in any manner by reason of death, injury, damage to my person or property, or both, as a result of my participation in the projects conducted under the auspices of the City's Volunteer Program. I understand that this Release and Waiver of Liability extends to claims that I do not know or do not expect to exist at the time or the signing of this Release and Waiver of Liability, and I hereby waive the protections of California Civil Code Section 1542.

The City has my permission to include photographic images and/or video images of me in print, and/or computer-based materials, designed to be used by the City in informational publications. I understand that the images may be distributed in a variety of settings, such as reports and presentations. Images may also be included in the City of Redlands website and thus be available to the general public. No identifying information (i.e. name or address) will accompany the images. I will further hold harmless the City, and its elected officials, officers, employees and agents from any liability by virtue of any blurring, distortion or alteration that may occur in producing the City's finished publications, unless it can be proven that such blurring, distortion or alteration was done with malicious intent towards me. No compensation has been received by me in exchange for giving my permission to use my images.

I understand that falsification or significant omissions of any information may be considered justification for non-acceptance or dismissal if discovered at a later date and that appointment to a volunteer position may be contingent upon the completion and review of a criminal background check.
