

City of Redlands

For more than 125 years, Redlands has been known as a community that celebrates its past and embraces its future. Early on, agriculture prospered with the navel orange, and many citrus groves can still be found in Redlands today. Over the years, the City has earned a well-deserved reputation as a cultural and educational leader. Incorporated in 1888, community leaders have continually set high standards for housing, business, education and recreation. Since its founding in 1881, Redlands remains a City positioned for continued economic success!
