Description: This project will resurface approximately twenty-five (25) lane miles of streets, selective replacement of curb and gutter, and striping replacement at various locations throughout the City.
Start Date: 02/20/2024
Anticipated End Date: June 2024
Work Schedule: M-F (7am - 4PM) excluding City recognized holidays.

CONSTRUCTION PROGRESS

Project Updates & Issues

Striping and pavement markings are being painted on slurry sealed streets. Manholes are being raised on Edgemont Dr, Fairmont Dr, and Verde Vista Dr. Cement treatment and grading are continuing on Country Club Dr, Valley View Dr, and Fairway Dr.

2-Week Look Ahead

Pulverization is planned to begin on the final streets of Rebecca Crest and Center St, on 5/17/24. The process of pulverization, grading, cement treating, and paving will take about 2-3 weeks to complete. Soon after streets have been paved or slurry sealed, striping and pavement markings will begin being laid out.

Current Construction Process

There is a variety of work currently being done throughout the City associated with this project. Residents should expect minor delays. Drivers should adhere to posted signs and use proper precautions. If restricted parking is necessary, "No Parking" signs will be posted 48 hours in advance of construction activities.
